

DAGStat 2022

Sixth joint meeting of the
Deutsche Arbeitsgemeinschaft Statistik
March 28 to April 1, 2022 in Hamburg

68th Biometric Colloquium of the **IBS-DR**
Spring meeting of the **DStatG**
45th annual conference of the **GfKI**

Call for Applications: Young Statisticians Session at the DAGStat 2022

The **Young Statisticians Session (YSS)** can be seen as a prestigious conference rehearsal. As a chosen Young Statistician, you will present your research in English in a friendly atmosphere with the opportunity to get feedback on your presentation (performance, content, layout, etc.). The chosen Young Statisticians receive a certificate and are invited to the conference dinner. Furthermore, their conference fee will be waived.

Who should apply?

- Students at the end of their bachelor's or master's studies or
- Post-graduate students / PhD students in their first year

Your presentation should preferably cover the topic of your bachelor's or master's thesis. It can also include work in progress if no final research results are yet obtained.

Application and selection procedure

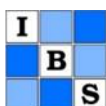

Please send your abstract, which should be in line with the general conference guidelines (dagstat2022.uni-hamburg.de), and a short CV in tabular form to ag-nachwuchs@googlegroups.com.

Furthermore, please specify which society you prefer to review your application. The participating societies are: German Region of the International Biometric Society (IBS-DR), German Statistical Society (DStatG), and Gesellschaft für Klassifikation – Data Science Society (GfKI).

The deadline for sending us your application is **12th December 2021**.

The YSS committee of the DAGStat will decide on the applications. Should your abstract not be selected for the YSS, you can apply for an oral presentation or poster in the general conference process. Since we cannot guarantee that you will be informed about the decision before the regular deadline of DAGStat submissions (December 19th), we ask you to upload your contribution via ConfTool for one of the general conference topics before the deadline expires. YSS winners will automatically be assigned to the YSS Session and do not have to be reviewed again.

We are looking forward to receiving your application!
